Hi Vicky,

Please see the attached document. I tried to fax it a couple of times but it did not go through. Perhaps I do not have the correct fax number. I tried (435) 637-0108 and (435) 637-0109. Let me know if you would like me to try to fax it again.

FAX TO Vicky Miller

Dear Ms. Miller:

On behalf of the Utah Division of Wildlife I would like to thank the Dugout Canyon Mine for completing mitigation for drilling degassing wells during the summers of 2004, 2005, and 2006. We received 46 nest boxes constructed by dedicated hunters with material provided by Dugout Canyon Mine. We expect the nest boxes to be used by saw-whet owls, kestrels, and a variety of other wildlife species. Your willingness to interact with the Division to enhance wildlife habitat helps us pass our heritage of wildlife diversity to future generations. We look forward to working with you in the future.

Sincerely,

A handwritten signature in cursive, appearing to read "Anthony Wright".
